AN EQUAL OPPORTUNITY / AFFIRMATIVE ACTION EMPLOYER

The prioritization of teams for entry is an effort to maximize representation in the competition. If your agency plans to participate, early registration is recommended to ensure a position in the preliminary competition. **Entry deadline is February 9, 2024, by 5:00 PM.** First entry teams will be entered in order of the date submitted. Second entry teams will be recorded in order of the date received. Should there not be 50 first entry teams received by entry deadline, secondary teams in order received will fill the open spots up to the total 50 teams. If necessary, team member substitutions can be made until the day of the preliminary competition. There will be no team member substitutions allowed for teams attending the final competition.

The preliminary competition will be conducted on **March 15, 2024,** at five sites across the state. Teams will be notified of their competition site and time after the entry deadline. The top team from each preliminary site will qualify to compete in the final competition at the EMS Expo in Greensboro on Sunday April 28, 2024.
